"PREPARED BY AND FOR THE CAST OF WALT DISNEY WORLD"

MAY 4, 1979

THE DISNEY THEME SHOW

"I don't want the public to see the world they live in while they're in the Park. I want them to feel they're in another world."

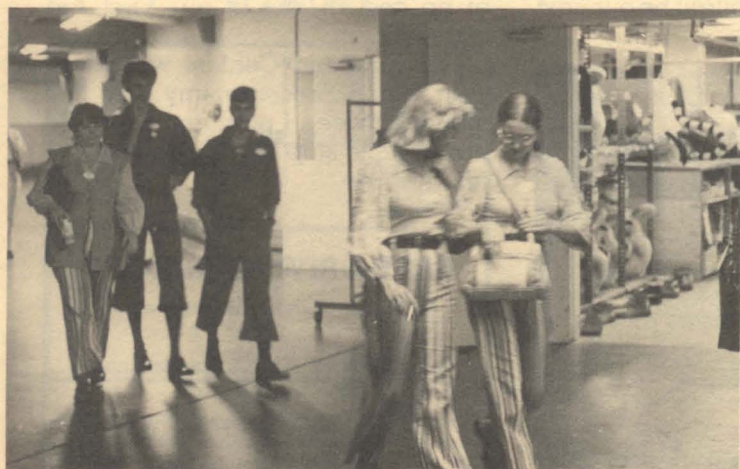

WALT DISNEY

Everyone needs to break away from the routine of day-to-day activities. For some it's merely the need for a little rest and relaxation, for others it's the need for what is commonly called "leisure time."

Walt Disney wanted to make leisure time as enjoyable as possible, so he created the "Theme Show."

It began at Disneyland in Anaheim, California and continued with the development of Walt Disney World here in Orlando. The idea was to create the "ultimate entertainment experience" with our guest being both spectator and participant. Each scene is designed to bring every human sense into play . . . from sights and sounds to taste, smell and touch.

Each of our six themed lands are designed to create no contradictions or confusion for our guests. Every attraction and restaurant is designed to compliment each other. Fine attention to detail has been given to each costume and to every sign so our guests can see the **total picture**, not just one element. No one item was meant to stand out.

To avoid any distractions at Walt Disney World, many support facilities were built underground in a tunnel area where cast members can also walk where they need to go without interrupting the show on stage.

Cast members visiting the Sun Bank on Main Street, U.S.A., use the entrance set aside for cast members only. This way cast members wearing a costume from another land can visit the bank without upsetting the theming of Main Street, U.S.A.

And to avoid any distractions here at Walt Disney World our theme park stockrooms, wardrobe, locker rooms and break areas were built underground with a tunnel area so that cast members could walk where they needed to go without interrupting the show on stage.

The most important single factor in our theme show, though, is **you**, the human factor. Guests visiting our Magic Kingdom are greeted by neatly attired, friendly, courteous hosts and hostesses. Our guests come in contact with over 75 cast members during a one-day visit, all eager to help them, adding to our show.

The *Wall Street Journal* reported: "You can see more respectful, courteous people at Disney World in an afternoon than in New York in a year."

And, perhaps it is because our cast members compliment our show that our guests are so impressed with each and every one of you.

It is because of our strong desire to maintain consistency within each themed land, that we ask you to use the tunnels when going to and from breaks and lunches. If you need to visit the Sun Bank on Main Street, use the entrance set aside for cast members only. Avoid walking through one land when wearing a costume from another land.

You, the cast of Walt Disney World, make our show . . . **You** make our guests' visit memorable.

TOKYO DISNEYLAND AGREEMENT ANNOUNCED

Walt Disney Productions and the Oriental Land Company, Monday formalized final agreements for the development of a **Tokyo Disneyland**.

The \$300 million project, similar in size and concept to Disneyland, will be constructed on a 600-acre landfill peninsula on Tokyo Bay and is scheduled for a 1983 opening.

At the signing ceremony in Burbank were Card Walker, president and chief executive officer of Walt Disney Productions, and Matsumoto Takahasi, president of the Tokyo-based Oriental Land Co. The two major stockholders of Oriental Land Co. are Keisei Electric Railway Co., Ltd. and Mitsui Real estate Development Co., Ltd.

Under terms of the final agreement, Walt Disney Productions will be responsible for the design and master planning as well as providing guidance on all construction and operational aspects of the project.

Disney will receive a royalty percentage of the gross revenues from rides and admissions, food, beverages and merchandise.

Card called the agreement a "milestone" for the company and said it was "appropriate that our first overseas theme park venture should be in Japan because of the warm and strong friendship and business ties that exist between our countries and our peoples.

I HAVE AN IDEA

Two Outstanding Idea Winners Named in March

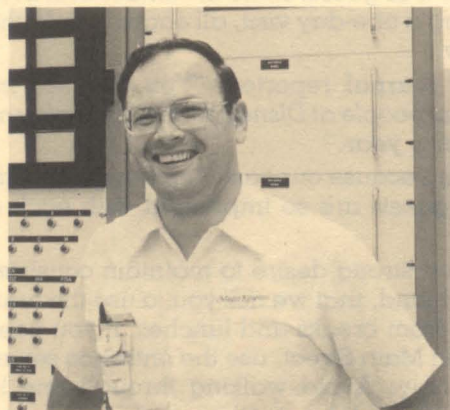

During the month of March two of our cast members were honored by being named Outstanding Idea winners.

Dean Bowen of our Theme Park Tunnel Maintenance looked for a safer and more thorough way to clean the AVAC areas. He realized that a high pressure air and water jet in the inner walls of the trash catch basin would help remove excess debris from around the suction screen. Dean's idea has been implemented and is a safer way to keep the area clean.

Harry Gary of our Drapery Department redesigned the method of sewing seams in the chairs for the Empress Lilly and decreased the upholstering time to one-fourth the previous time.

For their outstanding contribution to our "I Have An Idea" program, both Dean and Harry have received parking places of their choice for one month, engraved wall plaques commending their contribution, a choice of a \$100 gift certificate to Walt Disney World Village at Lake Buena Vista or a Mickey Mouse telephone and an invitation to the end-of-the year awards dinner.

If you have an idea which would increase our efficiency, improve the show or eliminate safety problems, put your ideas to work! You just might be our next Outstanding Idea winner!

YOUNG AT HEART DAYS MAY 5-20

Our annual spring salute to the "young at heart" will be held in our Magic Kingdom theme park from May 5 through May 20. This special event entitles everyone 55 years of age and older to a one-price admission ticket and includes unlimited use of our 45 attractions (except Shootin' Gallery). This year we are also offering special rates at the Hotel Plaza in Lake Buena Vista for "Young At Heart" guests.

So welcome all our "Young At Heart" visitors to our Magic Kingdom!

The month of May marks our annual salute to senior citizens . . . Young At Heart Days.

MAY IS NATIONAL BLOOD PRESSURE MONTH

Did you know that out of 200 million Americans, at least 20 million are suffering from high blood pressure? That means that at least **one in every ten** people are affected!

May is National Blood Pressure Month and to commemorate this yearly observance, all Walt Disney World cast members are urged to have their blood pressure checked at no cost at one of our First Aid locations.

Our First Aid Centers will check your blood pressure **any day** this month between 1 p.m. and 4 p.m. So take time to stop by . . . it's painless and it's free.

TEMPORARY HOUSING AVAILABLE

Cast Activities has arranged temporary housing for cast members needing it, at the **Winter Garden Inn** on West Colonial Drive, just 20 minutes from Walt Disney World.

The rates are:

\$10.60 per day	— one person
5.30 per day	— two people
3.86 per day	— three people
2.65 per day	— four people

(Price does not include 6% Florida resort tax.)

Amenities include two double beds, television, telephone, dressers, game room, swimming pool, restaurant and lounge. Ice box/stove units and rollaway beds are also available at a small additional fee.

Let's say a friend of your's is coming to work at Walt Disney World, and needs a place to stay for a few days while looking for an apartment. Just have them drop by **Cast Activities** (you cannot register at the hotel for this special rate) to take advantage of our special rate. Payment will be made through payroll deduction, on a daily or weekly rate. More details are available through the Casting Office or Cast Activities on our temporary housing at the Winter Garden Inn.

ARE YOU TRYING TO STOP SMOKING

For a number of years the Five-Day Plan to stop smoking has been part of the health education program at Florida Hospital and other locations throughout the Orlando area and the nation. An estimated 13 million people have totally quit smoking as a result of the Five-Day Plan.

The entire month of May has been declared "**Stop Smoking Month**" by Mayor Carl Langford of Orlando with the cooperation of the American Heart Association and the majority of our community leaders.

Walt Disney World is offering this Five-Day Plan to help cast members stop smoking **May 14 through May 18** from 5:30 p.m. to 6:30 p.m. The total cost for this Stop Smoking Clinic is \$5 . . . less than most smokers spend each week on cigarettes! If you want to kick the habit, stop by Cast Activities today to sign up and join the others who've quit!

LETTERS TO US

On behalf of my mother Ruth, and the entire Bellevue family, I would like to extend our deepest thanks to the cast of Walt Disney World for the many prayers, cards and flowers that were sent in remembrance of my father.

Thank you,
Paul Bellevue

The family of **Earl Anderson** acknowledges with grateful appreciation your kind expression of sympathy.

"It Takes

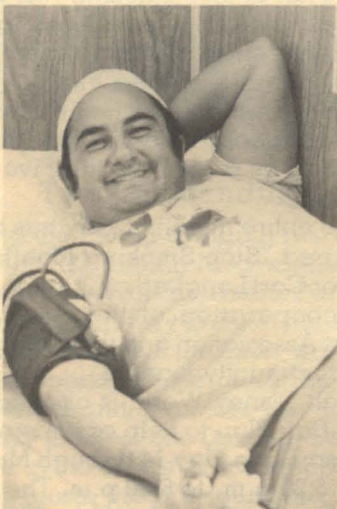

Sue Martin — Merchandise

The Central Florida Blood Bank's mobile unit has been at Walt Disney World for one full week with hundreds of cast members "rolling up their sleeves" to donate a pint to our own Walt Disney World "bank."

As long as our Walt Disney World "bank" has adequate credits, this lifesaving blood will be available to any cast member or a member of their immediate family who needs blood. One major illness can seriously deplete our supply of lifesaving blood. It is through our annual Blood Bank Drive that we can continue to provide blood at no cost to cast members and their immediate families.

There is still time for you to donate to our Walt Disney World "bank." Call our **Blood Bank Hotline, extension 5757**, to schedule an appointment. Every cast member who wishes to donate blood will be released from their shift. After you have donated your pint of blood you

CAST GAS STATION OPENS

Following a final inspection and certificate of operation from the State Fire Marshall's Office, the switches were thrown and gasoline flowed to the pumps at our new **Cast Gas Station** in the North Service Area . . . and employees were quick to spot the activity, lining up to take advantage of our new employee benefit.

One of the first at the pumps was **Robert Leach** of the Merchandise Warehouse, who filled up with unleaded gasoline. Eyeing the employee prices available, Robert told **EYES & EARS** that "Walt Disney World couldn't have done a better thing for the cast," as was echoed by **Lula Bell McNeal** of Polynesian Housekeeping, who agreed the prices and convenience are "just great!"

Robert Leach of the Merchandise Warehouse became our new Cast Gas Station's first customer.

Polynesian Housekeeping's Lula Bell McNeal found out just how easy it is pumping your own gas at the self-service station.

As with any new benefit, everyone wanted to take advantage of it right away . . . and that caused some congestion at peak periods. But, with the station open daily from 6:30 a.m. till 6:30 p.m., there's plenty of time for cast members on **every shift** to purchase gasoline. Cast Activities staffers on duty suggest that you attempt to **avoid** filling up during the early morning rush and late afternoon rush, unless you have time to spend waiting in line. **Late morning** and **mid-afternoon** appears to have the lowest demand, if your schedule permits you to take advantage.

Special thanks go to **Tom Greeno** and the **Disney Car Care Center** staff who have pitched in all week to assist the Cast Activities staff in operating the new station. Thanks to this unique "cross-utilization," our Cast Gas Station got off to a great start!

DON'T BE FUELISH, PLAN AHEAD

Like every other gasoline station, our new Cast Gas Station is on an **allotment** system. And like every other station, we could use up our allotment for that period of time and not have any gas available.

So plan your driving. Don't take extra trips to the store when just one trip will do it, car pool whenever possible, conserve fuel by limiting your speed to 55 mph, keep your motor tuned.

Fossil fuels like gasoline are a finite resource, and will run out one day at our present rate of consumption . . . unless **every consumer** (and that includes you) does his part to stretch their use out until alternative sources of energy can be found.

So don't be fuelish, be smartish . . . plan ahead and conserve!

Opening day staffers at the station included **Darryl Green** and **Dave Smith** of Cast Activities.

SPORTS, CLUBS & SPECIAL EVENTS

WE'RE LOOKING FOR ARTISTS AND CRAFTSPERSONS

Last year over 50 Walt Disney World cast members displayed and sold their artistic endeavors at our **Spring Festival at the Lake** to an audience of well over 1,000 people. And now we are again looking for participants.

Who is entering the Festival this year? People just like **you** who have creative talent but have never exhibited before, or those of you who have exhibited in local art shows throughout the area. In short, any cast member or member of their family whose work falls into one or more of the six categories to be judged.

Categories for this year's show are:

- Painting
- Water Color
- Creative Crafts
- Photography
- Graphics
- Ceramics & Sculpture

The cost to enter is just \$5 per artist for as **many** entries as you wish to enter. Exhibits displayed last year included wood carvings, coin jewelry, water color and ink drawings, pencil sketches, acrylic on canvas, ceramic work, photography of all types, candles, hook rugs, photograms, stained glass, macrame, pottery and much, much more!

And this year we would like to have **you** out there, displaying (and selling if you wish) your work for the rest of our cast to see!

Speaking of the cast, with this year's **Spring Festival at the Lake** tied into Little Lake Bryan's annual summer grand opening splash party, we can guarantee a huge audience to view your work.

So if you have a talent or a member of your family does, and you want to enter? It's easy, just stop by Cast Activities or any of our Satellite Offices and pick up an information/application packet. Or call Cast Activities at extension 4254 and we'll mail you a packet. Fill it out, drop off your entry fee . . . and get to work planning your display!

DIVE CLUB NEWS

The May 5 and 6 trip to Bimini is now full. If you missed this trip we have several more scheduled with openings.

**June 2 and 3 Bimini-Bahamas
and June 16 and 17 Bimini-Bahamas.**

These trips are \$87.50 per diver for WDW Dive Club members and \$92.50 for non-members. This price includes food and air. A \$40 deposit is due to Cast Activities upon signing up.

There are still a few spaces available for the Get Wet Sessions on May 8, 9 and 10. Sign up at Cast Activities for one of these free beneficial sessions. The class sizes are limited and are for those certified divers that want to get back into diving or just need a refresher. Classes will be held at the Lake Buena Vista swimming pool at 7 p.m. and instructed by Wayne Mitchell of Security. Equipment will be provided with the exception of fins, mask and snorkel.

Our next meeting will be held on May 15 at 7:30 p.m. at the Knollwood Apartments recreation room!

HAVE A NICE DIVE!

CHRISTIAN FELLOWSHIP PICNIC

The Christian Fellowship group welcomes all cast members and their families to an old-fashioned picnic at Little Lake Bryan, on **Saturday, May 19**, beginning at 4 p.m.

On hand will be swimming, boating, volleyball and sunning, followed by a covered dish supper. There will be a sing-along, Gospel music, and sharing time, as the participants enjoy a good evening of Christian fellowship.

For more information, call either **Betty Wise** (extension 4203 or 828-7477 home) or **Lydia Owen** (extension 5547 or 841-4800 home). Pass the good word, and don't forget to bring any musical instruments you can play and a covered dish.

SPORTSMAN'S ASSOCIATION MEETING

The next meeting of the **Sportsman's Association** will be Wednesday, May 9, at 7:30 p.m. at Rossi's Pizza in Orlando. Discussion will center around upcoming events, and all members are urged to attend.

INTERESTED IN TREASURE HUNTING?

If you are, then our new **Coin & Artifact Club** may be just what you're looking for . . . and a series of three excursions set for this weekend would be a great way to be introduced to the club!

Anyone interested in participating in an outing to **Daytona Beach** should meet at the Interstate Mall on SR-436 in front of Ward's Auto Center at 10:30 a.m. Bring along a sack lunch and your metal detector, club members will help you get acquainted with your machine. Outings will be held on **May 4, 5 and 7**.

If you don't own a metal detector, but are interested in purchasing one, remember that **Kellyco** (215 East Horatio Avenue in Maitland, 645-1332) offers **10% off** on equipment and accessories.

At their last meeting, **Roy Singer** of the Florida Marine & Archeology Society, spoke to club members and answered questions concerning archeology in the state.
